A close-up photograph of a weathered wooden sign hanging from a vertical wooden post. The sign is made of dark, textured wood and has the words "THIS IS WHERE OUR STORY BEGINS" carved into it in a white, serif font. The sign is suspended by a piece of light-colored rope that is knotted to the post above it. The background is a blurred outdoor scene with a body of water and a wooden pier structure under a bright sky.

# Poruka dana

- Kakva je budućnost?
- Znanje nema alternativu
- Vizija & Hrabrost
- Rad, rad, rad
- Suradnja & povezivanje
- Budućnost je svjetla!

No man is an *island* entire of itself; every man is a piece of the *continent*, a part of the *main*. If a *clod* be washed away by the *sea*, *Europe* is the less, as well as if a *promontory* were, as well as if a *manor* of thy *friends* or of *thine own* were. Any man's *death* diminishes *me*, because I am involved in *mankind*. And therefore never send to know for whom the bell tolls: it tolls for thee.
